

Coaxial cable CX 75 Ω

Type HF-2123-F

Conductor: flexible bare Cu strand \varnothing 0.5 mm
Insulation: PE, \varnothing 2.95mm
Shield: Al/PETP foil
Outer sheath: LSOH

Application

Analogue video transmission

Construction

Outer sheath material	LSZH
Outer sheath colour	black

Electrical properties

Shielded	Shielded
Operating capacity	70 pF/m
Impedance at 100 MHz, \pm 5 Ω	75 Ω

Mechanical properties

Solid / Flex	Stranded wire (flexible)
--------------	--------------------------

Versions

Material number
HF-2123-F
