

PDU - basic socket strips

with SCHUKO(CEE) / SEV (CH) / UTE (FR) / UK / IEC sockets/plugs

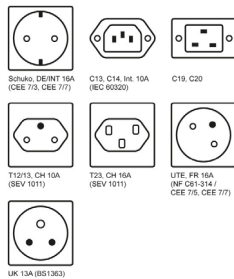

Description

High quality 19"/1U PDU in compact design.

Stable anodized aluminium housing, grey, black, aluminium, white or orange.

Variants with SCHUKO or IEC 60320 (C13/C19), T13, T23, UK, and UTE sockets, optionally with various extra functions.

Equipped with universal mounting brackets which allow the installation in various positions, heights and inclination angles.

Application

Power distribution in IT-racks in data centres and technical rooms.

General properties

Outer dimensions (HxWxD) 44.5 mm x 440 mm x 44 mm

Scope of delivery

PDU, connection cable (2 m) with plug, 19" mounting brackets (2 pcs) and screws.

280047 - 280049 and 280053 - 280056: with 3 m connection cable.
