

SMDC – Multi-rack

up to 40 kVA, hybrid cooling

Descripción

The Smart Modular Data Centre (SMDC) is a scalable, pre-assembled, plug-and-play solution designed for edge computing and optimised for rapid deployment.

Each multi-rack SMDC features a configurable power supply unit and a redundant in-row cooling system, providing seamless scalability and technology upgrades with little additional cost or disruption.

This multi-rack solution ensures a capacity of up to 40 kVA. It consists of 42U racks, an integrated intelligent power distribution, an uninterruptible power supply (UPS, optionally redundant) and a flexible, compact cooling system with a capacity of up to 25 kW per cooling unit. There is also a fire extinguishing system, air gap sealing and comprehensive software for infrastructure management.

Impresión de aplicaciones

The multi-rack SMDC supports edge computing, operating smart facilities with IoT devices, remote or branch offices or it serves as a building distributor (BD).

Advanced applications include technologies such as AI, AR, VR and automation systems that require flexible, scalable and energy-efficient real-time data processing.

Propiedades mecánicas

Puerta de entrada	con doble vidrio templado de 5 mm (no aplicable a los enfriadores en fila)
Puerta trasera	hecho de chapa de acero maciza
Paneles laterales	desmontable, con perno de puesta a tierra
Panel superior	la entrada del cable es posible
Panel inferior	la entrada del cable es posible
Perfil de montaje	2 pares de perfiles verticales de 19" (frontal / trasero)

Propiedades técnicas

Ventilación de emergencia	Top of the rack and front door, extracting hot air from the rack in case of cooling failure
PDU	Intelligent power management
Capacidad del SAI	up to 40 kVA
Ampliación del tiempo de autonomía del SAI (opcional)	8 to 15 minutes
Refrigeración	up to 50.4 kW (CW or DX)
DCIM	Real-time status monitor and control
Interfaz de usuario	10.4" touch screen and remote web interface
Sensores	Cooling system, UPS, power usage effectiveness (PUE), iPDU*, IT load, access control*, temperature, humidity and alarm status
Alarma y notificación	Sound and light alarm with SMS and email notification
Control de acceso	Card or keypad
Supresión de incendios	FM200-J / NOVEC 1230 rack mounted (1U / 2U)*

Versiones

Número de material	Prodotto	Description	Color	Peso [kg]	GTIN / EAN
40014320ZY	UPS10NB	Modular power module, 10 kVA, w/o battery	negro	30 kg	40393910222852
40014330ZY	UPS15NB	Modular power module, 15 kVA, w/o battery	negro	35 kg	40393910222845
40014340ZY	UPS20NB	Modular power module, 20 kVA, w/o battery	negro	37 kg	40393910222838
40014350ZY	UPS30NB	Modular power module, 30 kVA, w/o battery	negro	40 kg	40393910222814
40014360ZY	UPS40NB	Modular power module, 40 kVA, w/o battery	negro	43 kg	40393910222821
