

## Brush strip panel - DxRx

450 x 255 mm, light grey

Cable entry panel for raised floor installations

### Description

Cable entry panel with two layer brush strip for enhanced cable and dust protection.  
 For cable management in raised floors in data centres and technical rooms.  
 Frame size: 450 x 255 mm (required orifice in floor: 415 x 220 mm).  
 Cable entry opening in panel: 350 mm x 121 mm.  
 Design: Two detachable sheet steel frame halves with brushes in light grey (RAL 7035).  
 The two frame halves allow for easy installation even in the transition zone between two floor panels.  
 Comes with mounting kit.
