

Wall-Mount Racks Premium Split DWMR-S

19 /6U, 9U, 12U, 15U, 18U

with glass front door & steel rear panel

Wall-Mount Rack Premium Split, 15U, 600 x 500 mm

Description

The Datwyler Wall-Mount Racks Premium Split (S) are designed to accept patch panels, active components and other data network equipment. The front section of these racks can be completely pivoted, and the racks offer an extended access level from all sides thanks to removable side panels.
