

# FTTH inhouse cable solution “Squeeze”

Pre-assembled

Pre-assembled fibre optic inhouse cable  
with wall-mount data outlet “Squeeze” (AP)

## Description

Pre-assembled FTTH cable wound up in a recyclable blister box.

Available with or without wall-mount FTTH data outlet “Squeeze”, 88 x 88 mm (This data outlet allows for retrofitting existing outlets).

Very easy feeding in pipe systems due to small pull-in hook.

## Applicazione

FTTH in-house cabling, used typically to connect the building entry point (BEP) with the optical telecommunication outlet or optical termination outlet (OTO).
