

Preassembled cables. MTP - MTP, G50/125 OM3

image similar

Description

Compact, metal-free cable construction with FR/LSOH cable sheath and 12 to 144 fibres. The length of individual cables ("legs") may be defined on the basis of a specific project. All individual cables are assembled using MTP connectors with high-performance 12-fibre Elite® ferrules (LCD connectors available on request).
Polarisation modes can be type A, type B or type C.
The preassembled cables guarantee high reliability based on 100% performance test and quality inspection in the factory. The cables come with an effective protection for cable and connector.
Quick and easy installation on site.
Rodent protection optional.

Impresión de aplicaciones

Campus and backbone cabling
Industrial plant cabling
Fibre optic cabling in data centres
nur China

Construcción

Color de la funda exterior	aqua
Material exterior de la vaina	LSZH

Propiedades ópticas

Conector de pulido de férulas A	Elite PC 0°
Conector de pulido de férulas B	Elite PC 0°
IL máximo, conector A	0,3 dB
IL máximo, conector B	0,3 dB
RL minimal, conector A	55 dB
RL minimal, conector B	55 dB
Tipo de fibra	G50/125 OM3

Forma de suministro

Preassembled cable, packed in recyclable cardboard drum or box
Installation guide enclosed
Comes with test protocol

Estándares

Cero halógeno gases no corrosivos	IEC 60754-1/-2
Dispersión de llamas	IEC 60332-3-24
Densidad de humo	IEC 61034-1/-2

Nota

MTP® and MTP Elite® are registered brands of US Conec.
