HDPS adapter plate, 4x MTP or MPO
for HDPS modular panel

High-performance HDPS adapter plate with 4 MTP/MPO adapters

Description

Open polycarbonate (PC) housing.
Front plate equipped with 4 SC type MTP® or MPO adapters.
Can be easily inserted into one of the panel's sliding support frames. The sliding hardware with guide handle (at the rear of the cassette) allow for easy installation and maintenance.

Applicazione

The HDPS adapter plates are suitable for all high-performance applications, particularly in the data centre environment.
Packing densities of up to 576 fibres on 1U are achieved with these plug-in plates (with 12F MTP or MPO connectors).
They are assembled to a very high quality and guarantee optimum values for optical performance (IL/RL).

Proprietà generali

Acceptance capacity	4 MTP or MPO ports (48 fibres with 12F MTP/MPO connectors)
Capacità	4 MTP or MPO ports (48 fibres with 12F MTP/MPO connectors)
Dimensioni	91 x 12 x 163 mm (W x H x D)

Scope of delivery

Adapter plate with 4 preinstalled adapters.

Nota

MTP® is a registered brand of US Conec.
